

Storm Sandy

Posted On Oct 29, Posted by _ Category [Support](#)

Due to Hurricane Sandy our NJ office is closed Monday and Tuesday (10/29 and 10/30). We do, however, have support staff working remotely during this time to assist in the event you have a crucial issue requiring technical assistance. We will be checking voicemail periodically, but we do encourage you to instead submit your requests for assistance to support@qxpress.com for a more prompt response. Please note, due to potential power outages, support availability may be limited at times, so we appreciate your patience in receiving a response.

Thank you for your patience and understanding.
